Hon. William J. Casey  
Director  
Central Intelligence Agency  
Washington, D. C. 20505

Dear Director Casey:

As you know, the subcommittee staff has prepared summaries of the 17 CIA documents relating to OPEC petrodollar surpluses, flows, and investments, the publication of which has been at issue. These summaries were furnished to CIA on June 3, 1982, in response to CIA's expressed willingness to enter into negotiations with the subcommittee on the production of realistic and meaningful public summaries of these documents.

The Committee on Government Operations will meet on August 10, 1982. In view of the time constraints, it would be helpful if the subcommittee could receive by Wednesday, July 21, 1982, the CIA's specific responses to the subcommittee's draft summaries.

Best personal regards.

Sincerely,

Benjamin S. Rosenthal  
Chairman
